Looking for a peaceful cabin or a cozy retreat? This home features a beautiful open great room with floor to ceiling stone fireplace, wet bar, large floor to ceiling windows allowing light and views of the outdoors, and warm wood accents throughout. Wood floors, large kitchen with granite counters and plenty of storage space. A split-level floor plan for the bedrooms creates privacy, with the master bedroom conveniently located downstairs. Large master bathroom, dual vanity and soaking tub. The master suite also has access to large covered back deck and fenced yard for the pets. The second level has two spacious bedrooms, full bath and loft area. Attached 2 car garage and backup generator as an added bonus! Sold fully furnished and turn key!
